The Great Invocation

**From the point of Light within the Mind of God
Let light stream forth into the minds of men
Let Light descend on Earth.**

**From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May Christ return to Earth.**

**From the centre where the Will of God is known
Let purpose guide the little wills of men
The purpose which the Masters know and serve.**

**From the centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.**

Let Light and Love and Power restore the Plan on Earth. 3X

The Decree of the Golden Circle of LOVE

In this living moment of the eternal now, I AM merging my 12D through my 5D awareness with my 3D awareness. I am connected to MY I AM PRESENCE that completely guides my life.

As I invoke and decree, I AM in full service to the Christed Light. I AM pledging to honor my Creator, my Self, all others, creatures, animals, all Kingdoms, known and unknown, as I AM here to fulfill my sacred contract which is my purpose and mission for being here at this time as we begin to ascend into the New Earth frequencies.

I AM requesting to be protected at all times on every level of my being by the Christed Light , to open myself to the golden gates of grand opportunities, expansion of my horizons, and to be blessed in every moment of my life.

I AM surrounded by a beautiful world filled with an abundance of everything; prosperity, pure, clean fresh air, pure water, pure food, beautiful shelter, harmony of all beings , healthy animals, fertile soil, forests and trees and flowers, infinite natural resources and minerals, connection with all Kingdoms great and small, happiness and joy radiating from WITHIN and every aspect and area on this Planet.

I have been called forth to join this Golden Circle of LOVE. As I AM giving LOVE, I AM receiving LOVE. As I AM receiving LOVE, I AM giving LOVE. It is simply a Golden Circle of LOVE.

I AM now remembering and recognizing that I AM a Brilliant Pillar of Golden LOVE. I have always been LOVE. I was always LOVE and will always be LOVE for that is all there is....LOVE. I go forward through my journey knowing everyone and everything that surrounds me is LOVE, as I integrate the new crystalline frequencies, for the Gates of Heaven have opened on Earth.

I AM A GOLDEN ROYAL CHILD OF OMNICREATION. I AM HOLY, SACRED AND DIVINE. I AM AN OPEN, AWAKENED AND FULLY CONSCIOUS ENLIGHTENED, DISCERNING ASCENDED MASTER OF CO-CREATION, FOR I AM LOVE. I AM THAT, I AM.

And so it is and so be it! Source: <http://goddessofdivinity.com/>

I AM ALL LOVE

O, Supreme Presence of God within all Life, into your Eternal Heart of Love do I immerse myself and all Life on this sweet Earth. I consciously surrender my vehicles to be merged with the Love Nature of Your Being until I AM a pure focus of Love—a living jewel in Your Crown of Adoration.

The path I walk in Life leads only to Love. My physical body filled with Love becomes shining and invincible. My etheric vehicle radiating Love transmutes the past. Love in my mind ensures the expression of Your Divine Thoughts. Love in my feelings reaffirms that God is the only power acting.

As I AM thinking, feeling and remembering only Love, I know that my I AM Presence is working through me, radiating forth the perfection of my omniscient, omnipresent, omnipotent Father-Mother God, All That Is, to Humanity and all Life, which I have promised to Love free.

In this awakened consciousness of Divine Love, my spirit becomes Holy Spirit, and I AM the Love of God reaching out to claim this Earth.

In Love I magnetize all of God's blessings to me, and in Love I radiate these blessings forth to all Life around me. I AM the Spirit of Love permeating form until all is drawn back into the indivisible whole.

I feel the pulse beat of Love in all Life and the continuity of Love in all of the experiences I have ever known. It is ALL Love.

I was born out of Love, I AM evolving through Love, and I AM Ascending back into Love.

I AM ALL LOVE, and I AM Grateful.

And so it is, Beloved I AM.

Oh my Beloved God, Great I am Presence in All of Life, Great Powers of Light, Ascended Masters and Cosmic beings, strengthen all of Humanity this day and set them free from every limitation of every kind. See to it that all entities, incarnate or disincarnate, human or otherwise, who have sought to enslave or limit humanity in any way, see to it that they are seized and bound and removed from the earth at once and forever.

May all of humanity be set free this day and may that freedom be maintained, sustained and self-sustaining, so that each and every one may see and experience the fullness and completeness of their I Am Presence and Holy Spirit, and that their requests and calls to their I Am Presence may find immediate results and manifestation, and give them the dominion and freedom in their life that they deserve and desire.

This, so say I, from the Lord God of My Being, SO BE IT.

Total Energy Clearing Decree

This process is best done when you are lying down at night, just before you go to sleep. You may do it in bed if you wish. The more often you can do this process, even nightly, the better. At this time, it is crucial to do this or another energy clearing such as Reiki, each and every day, so that one can integrate the new energies and frequencies in grace and ease.

Before beginning, dedicate yourself to the Light: *“I Decree I Am dedicating myself to the Light now.”*

Next, “I Am asking for and invoking the presence and assistance of Archangel Michael and the Light Force, the Powers of Light, the Lords of Light, the Legions of Light, the Warriors of Light, the Lords of Karma, the Lords of Grace, the Lords of Protection, and the Divine Director on behalf of ___(your name)___ now.”

(Note: The Ascension processes operate through all the bodies. To request clearing for only the Ascension Body would be to limit this request for clearing. When the Ascension levels are fully cleared, the energy clearing is complete.)

To finish, make this one last request:

“I am asking you to fill the energy of ___(your name)___ with the Light of the Christ through all the levels and components, through all the dimensions, all the connections, and all the systems.”

Thank them and end your clearing meditation.

Invocation to the I AM Presence

Beloved I AM Presence, the Eternal God Presence I AM, enfold me in your love. Place a pillar of White Light around me to protect me and allow your rays of Light to anchor firmly in my heart. Instill within me your Divine qualities, so in purity and humility I can fulfill the Divine Plan set for me in Heaven.

Beloved I AM Presence, lift me up into my Christ Self—the bridge between my physical self and you forevermore. Embracing my Christed Self, empower me with Ascended Master Consciousness, the consciousness of Truth and Bliss.

Beloved I AM Presence, help me to accelerate the frequency of my vibration and growth and transform me into unity with you. You are the blueprint of my True Self. I invoke the resonance of your Divine Presence to assist my lesser self in coming into unity with the truth of who and what I am.

Beloved I AM Presence, anchor firmly in my heart and merge into my physical, etheric, emotional and mental bodies as I prepare to raise the Light quotient. I call for this merger to be on every level of my existence and awareness. Amen.

I AM LIGHT by Kuthumi

**I AM Light, glowing Light, Radiating Light, intensified Light.
God consumes my darkness, Transmuting it into Light.
This day I AM a focus of the central sun.
Flowing through me is a crystal river, A living fountain of Light
That can never be qualified by human thought and feeling.
I AM an outpost of the Divine.
Such darkness as has used me is swallowed up
By the mighty river of Light which I AM.
I AM, I AM, I AM Light;
I live, I live, I live in Light.
I AM Light's fullest dimension;
I AM Light's purest intention.
I AM Light, Light, Light
Flooding the world everywhere I move,
Blessing, strengthening, and conveying
The purpose of the kingdom of heaven.**

Invocation to Mighty Queen of Light

Great Mother of the Universe, Mighty Queen of Light, I greet you from out of my Diamond Heart.

I call forth your Gems of Light, your Diamonds of Light, to this Child of Light. Fix and fasten, as you project Thy Diamonds of Light into the Crowns and Feeling Body of this Child of Light today. Cause your Gems and Diamonds of Light to come alive with the full Cosmic Light Substance of the Ascended Host, to give birth to Ascended Master Joy that knows no boundaries, within the mind and the heart, the feelings of this Child of Light now.

Beloved Queen of Light! Thou art the Authority over the Angels of Light. I compel you this day to release an Angel of Light unto the life of this One here, and cause that Angel of Light to be with me, until I gain my Ascension and the Ascension of the World. And may that Angel of Light be Your Ambassador, O Queen of Light, to the lifestream of all my brothers and sisters. And may that Angel of Light join each one's Calls, for the Greater Light to Come Forth and take its full Conscious Dominion within these outer selves.

Mighty Queen of Light! I welcome Your tremendous Cosmic Light Substance to the people of the Earth. May each one, in the most intimate way, feel Your Light and Your Love as that expanded state of beingness that sets Life free. May Your Light -- the Great Cosmic Light of the Universe -- and its Fiery Love, O Queen of Light, and Your Legions of Light, Descend into the atmosphere of Earth, the Powers of Nature and the Forces of the Elements, the very structure of the Earth Itself, and with that Cosmic Light, set the Earth, the atmosphere of Earth and the people of Earth free of all discord that has been self-imposed. We Bless the Earth. We Bless You, Oh Great Beings of Light!

On Decreeing

"As the student places their attention on God, the energy going forth from the Heart to God creates a figure eight flow. This has been known for some time, that where the attention is placed, not only does your energy flow, but the return current comes back to its source. And so you connect with the figure eight flow wherever your attention is placed.

When you are giving the Calls, the Affirmations and Decrees with a figure eight flow of your attention to the Being of God within you, and there is also a corresponding figure eight flow that occurs where the energy and Light is propelled, this creates a squaring or a fourfold action. So, not only is there one figure eight flow between you and your God Presence, there is another between you and the object of your Decrees. When you consider that the focal point of your Heart is the nexus between both figure eight patterns, the Heart - where the Threefold Flame of your God Presence resides - then also becomes part of a triangle or trinity.

This is the Divine Trinity that is invoked when manifesting the fullness of God in Action through your Decrees, Affirmations, Prayers, Chants and Songs of the Heart."

~~ Master Kuthumi~~

A compilation from many sources, I give humble thanks. for these tools of empowerment for the enrichment of All.
